

**"Sixteen to early twenties: some of the issues and difficulties" with Sally Valentine**

**Friday 21st April, 10.00-16.00, cost £60.**

The day will be focusing on the things that affect this particular group in terms of the law and support, or lack of it. Also looking at gaming online, safety, drugs, sex and other problems that are current to this client group.

**Sally Valentine** is BACP Accredited with a Diploma in counselling and a Diploma in supervision. She is also trained to diploma level in Trauma (adults and children). Sally is an Examiner for diploma in a counselling course. Until recently she has been lead tutor on Diploma in counselling course but is now a visiting tutor.

Sally has a private practice working with individuals, couples, children and families. Her expertise is working with children and adults with issues such as ADHD, ASD, Tourette's and other conditions.
