Professional Development Days for Counsellors

Dear Colleagues

I enclose information about our first two Professional Development Days for 2018. There will be information about our Autumn CPD days later. These are one day courses and take place in Sevenoaks. We will let you know the venue for each course when the programme is sent out.

The cost for each day is £60.00 and this includes a sandwich lunch and all other refreshments.

To reserve places on these CPD days please complete the form below and send it, with a cheque made payable to SCCS, to the address on the letterhead. You can also pay by Bank Transfer, with CPD18 as the reference and send your booking by email; details below. If you need to withdraw for any reason your fee will be refunded providing we have enough notice and your place can be filled. Your booking fee will be acknowledged and full details sent to you a few weeks before the training day.

With good wishes

Jean Day
(Counsellor and Course Administrator)

I wish to book the following training days
